

## KIWOCLEAN DEGREASER 1:40 concentrate

### 1. DESCRIPTION

KIWOCLEAN DEGREASER 1:40 concentrate is a low foaming highly concentrated cleaning and degreasing solution. Its low foaming makes it especially suitable for use in automatic reclaiming machinery. It is suitable for all mesh types and prevents pinholes and irregularities in coating. KIWOCLEAN DEGREASER 1:40 concentrate emulsifies dirt and grease making them water soluble.

### 2. APPLICATION

KIWOCLEAN DEGREASER 1:40 concentrate can be diluted with water at a ratio of 1:40 (1 part degreaser concentrate to 40 parts water). Follow machine manufacturer's directions. Tests should be carried out using the actual machine, as metering ratios vary. Set a thorough rinsing cycle after applying the degreaser solution.

It is recommended to degrease the screens as shortly before the screen is coated as possible, to eliminate contamination of the clean screen.

KIWOCLEAN DEGREASER 1:40 concentrate can also be used for a degreasing cycle prior to decoating or reclaiming to remove oily residues from solvents and inks.

### 3. PHYSICAL DATA

Color:	Brownish-clear
Consistency:	Liquid
Shelf Life:	2 years at 68 degrees Fahrenheit (20 degrees Celsius)
Flash Point:	Not applicable
TLV:	Not applicable
VOC:	None
pH value:	9
HMIS rating:	Health - 1 Flammability - 0 Reactivity - 0

### 4. PERSONAL PROTECTION

It is recommended to wear protective glasses and gloves. See Safety Data Sheet for additional information.

### 5. ENVIRONMENTAL PROTECTION

KIWOCLEAN DEGREASER 1:40 concentrate solutions can be eliminated through biological decomposition in adapted waste water treatment plants. The working solution can generally be emptied into the drains. Consult local authorities for local regulations.

### 6. PACKAGING

1 US quart, 1 US gallon, 5 US gallon containers

### 7. ADDITIONAL INFORMATION

For additional product information, please visit our web site at [www.kiwo.com](http://www.kiwo.com). All products mentioned in this Technical Information are available through KIWO Inc. and its distributor network. For further information contact your authorized KIWO distributor or KIWO directly.

Thank you for choosing **KIWO**.
