

KIWOCLEAN INK WASH - WB

A mild odor solvent mixture for the removal of most screen printing inks.

Product benefits

- Highly effective at removing water-based inks and water-based ink stains
- Effectively cleans plastisol inks
- High flash point qualifies it to be used in automatic screen washing equipment
- Economical – can be diluted 1:1 or 1:2 with water
- Being concentrated further helps:
 - Reduce packaging costs
 - Save ever escalating shipping costs
 - Reduce storage space requirements
- Contains no HAPS (Hazardous Air Pollutants)

KIWOCLEAN INK WASH - WB

KIWOCLEAN INK WASH -WB is a mild odor solvent mixture for the removal of most screen printing inks. It is designed for cleaning screens prior to reclaiming. Its low foaming formulation makes it especially suitable for use in automatic washout equipment.

KIWOCLEAN INK WASH -WB is highly effective at removing water-based inks and water-based ink stains.

KIWOCLEAN INK WASH -WB can be diluted 1:1 to 1:2 with water for added economy and efficiency. Test first to determine suitability for your process.
